People have fun in winter.  
Just ask them.

Does that take skill?

Yes, it does take skill.

You can slip on the slick ice.

Both of us did slip, but we got up again.

Does it take a lot of skill to do that?

No, you just sit on a sled.  
Both of us went up the hill and slid down.

It must take a lot of skill to do that.

Yes, it does.

You rush down a slick hill.

Both of us went down from the top very fast.

That must take a lot of skill.

Yes, it does.

You must grip so you do not slip.

Both of us got to the top.

Does that take skill?

Yes, it does.  
You step on top of the snow.  
We did not skid.  
We did not slip.

Does this take much skill?

No, but it does make people grin.

Just ask them.
